

## Limited Warranty

All products with the exception of poly fenders and Air Pass mud flaps manufactured and sold by Nu-Line Products Inc. are guaranteed to be free of defects in workmanship and materials for a period of one (1) year from date of installation. Poly fenders and Air Pass Mud Flaps feature a limited lifetime warranty (See next column for additional details). All Nu-Line products must be installed using only Nu-Line supplied mounting kits and brackets. All tandem and half fenders must use a properly secured centre bracket to avoid cracking. Any use of mounting hardware and brackets of another make to mount Nu-Line products, or any modification of a Nu-Line product, will render the Nu-Line guarantee void. Nu-Line assumes no responsibility for the cost of installation or removal.

Exceptions to this limited warranty are as follows: cleaning with anything other than soap and water, damage and dents from road hazards are not covered, misuse or accidental impact damage is not covered, damage caused by corrosive materials is not covered.

Any materials to be considered for warranty must be returned to Nu-Line Products Inc. in Hamilton, freight prepaid, for inspection, with an approved Nu-Line Returned Goods Authorization. This warranty is good only for the original end-user of Nu-Line products.

## General Information

### Stainless Steel Fender Care and Maintenance

Nu-Line strongly recommends washing your fenders with water only. If detergents are necessary do not use anything stronger than a mild soap and water. When wiping and buffing your fenders we recommend using a soft, clean cloth making sure to wipe in the direction of the grain, do not buff in a circular fashion as this could cause damage to the surface.
