Nu-Line Releases New Catalog

Stoney Creek, ON (April 29, 2013)

Nu-Line is pleased to announce the release of our new 2013 product catalog. The new catalog showcases Nu-Line's comprehensive line of top-quality spray suppression products. The new catalog is available online and in a traditional printed version.

The catalog also introduces several new innovations, including our new FleetFlex mudflap hanger brackets. The new FleetFlex products are 75% lighter than conventional designs and will resist wear and rust.

For a free catalog, contact Nu-Line at sales@nuline.ca or call (866) 837-2082

Nu-Line is the Spray Suppression Leader in Canada. With a full line of products to fit all major manufacturers' trucks and trailers, you can count on Nu-Line for unparalleled quality and exceptional value. Fleetline is a Marmon Highway Technologies LLC/Berkshire Hathaway company.
