Nu-Line Welcomes Julie Kern

Stoney Creek, ON (October 14, 2013)

Nu-Line is pleased to announce the hiring of Julie Kern as their Western Canadian Sales Representative.

Julie had previously been with WD40 since 2011 in an Account Manager position dealing with the Heavy Duty, automotive and retail markets.

In Julie's role she will be tasked with assisting the development and execution of the company's growth strategy, in particular within the provinces of Alberta and Saskatchewan. Julie's previous employment and retail experience fits well with the growth strategy of focusing on our key customers and finding the gaps in the market where we can compete and win in.

Julie can be reached at jkern@nuline.ca.

Nu-Line is the Spray Suppression Leader in Canada. With a full line of products to fit all major manufacturers' trucks and trailers, you can count on Nu-Line for unparalleled quality and exceptional value. Fleetline is a Marmon Highway Technologies LLC/Berkshire Hathaway company.
