## **Nu-Line Products Launches New Website**

Hamilton, Ontario, Canada (July 6, 2022)

Nu-Line has launched a newly designed website at [www.nuline.ca](http://www.nuline.ca). Our goal was to create a user-friendly browsing experience for our customers. The site is updated with a sharp new look and enhancements that will allow for easy navigation and access to information pertaining to our products.

Visitors will be able to download our latest catalog, view product information with ease and locate a dealer in their area. The site is also mobile friendly and ADA compliant.

Nu-Line is the Spray Suppression Leader in North America. With a full line of products to fit all major manufacturers trucks and trailers, you can count on Nu-Line for unparalleled quality and exceptional value. Nu-Line is a Marmon Highway/Berkshire Hathaway company.
